

Portable Generators HW6200 & HW6200L (California Model)

Keep the lights on, the water hot, the fridge cold and the TV tuned in. In a power outage, we make it easy to reap the many practical benefits of your **HW6200** or **HW6200L** Honeywell Portable Home Generator.

The HW6200 & HW6200L come with **everything you need to get started**—never-flat wheels and a high-leverage handle for easy mobility; 4-in-1 power cord; the first liter of oil with a funnel to pour it; plus much more.

Comfort and Convenience

- **Easy to Operate** - Features a simplified power control center and bonus 4-in-1 power cord.
- **Smart Start™** - Comes with color-coded starting controls and 24-hour instructions at 1-888-RECOIL-8.
- **Sound Filtered** - The oversized muffler is engineered for quiet operation.

Power and Security

- **Honeywell™ Engine** - The Big-Bore, 389 cc, OHV engine is designed for more power and durability.
- **Electronics Friendly** - SurePower™ Alternator provides voltage-regulated power.
- **Durable** - Backed by a 3-year limited warranty.

¹ To power a combination of these, refer to the wattage chart in your owner's manual.

² Based on a 10K BTU unit.

³ Based on one (1) burner in operation.

* Designates unit is available for sale in California.
